COLLECTOR : SUNDARGARH

SUNDARGARH DISTRICT AT A GLANCE:

Sundargarh District was constituted on the 1st January, 1948, out of the two ex-States of Gangpur and Bonai, which merged with Odisha on that day. True to its name, this beautiful District of Sundargarh with about 43 percent of its total area under forest cover and numerous colourful tribes dotting its landscape and with abundant mining potential is bounded by Ranchi District of Jharkhand on the North, Raigarh District of Chhatisgarh on the west and North West, Jharsuguda, Sambalpur and Angul Districts of Odisha on the South and South East and Singhbhum District of Jharkhand and Keonjhar District of Odisha on the east.

The Sundargarh town is the district headquarter. Geographically, the district is not a compact unit and consists of widely dissimilar tracts of expansive and fairly open, dotted with tree, clad isolated peaks, vast inaccessible forests, extensive river valleys and mountainous terrain. Broadly speaking, it is an undulating tableland of different elevations broken up by rugged hill ranges and cut up by torrential hill streams and the rivers IB and Brahmani. The general slope of the District is from north to south. Because of this undulating, hilly and sloping nature of landscape, the area is subjected to rapid runoff leading not only to soil erosion but also to scarcity of water for both agriculture and drinking purposes. Brahmani, Sankh, Koel and IB are the major rivers flowing through this District. Covering a geographical area of 9712 SQ. KMs., Sundargarh District is the second largest District of the state, accounting for 6.23 percent of its total area. Out of this total area, forests cover 4232.57 SQ. KMs., this being the second largest in the state, accounting for 8.53 percent of the state total.

Sundargarh District has 3 sub divisions, 18 Tehsils, 17 Blocks and 279 Gram Panchayats and 1779 no. of villages (includes 8 Census Towns and 9 out growths) and 04 Urban Local Bodies. Topographically, this district is located between latitude 21 degree 36' N to 22 degree 32' N and longitude 83 degree 32' E to 85 degree 22' E. The population of this District is 20,93,437, which is fifth most populous District of the state, out of which the rural population is 13,55,340 and urban population is 7,38,097 and the TRIBAL population of the district is 10,62,349, which is more than 50% of the total population. The literacy rate of the district is 73.34%.

The tribals all over the state/country particularly in the area of Sundargarh are known for their performing arts in the form of indigenous tribal songs, music and rhythmic dance. Music and dance forms an integral part of their life and living. The dances and songs of tribals as well as the music they play with their traditional musical instruments are so vibrant and rhythmic that many foreign visitors evince interest to visit tribal pockets only to catch a glimpse of such music and dance. But with changing times, the melodious song, music and dance forms of tribal are in the process of dying out.

ABOUT BIJU YUVA VAHINI:

The Odisha State Youth Policy (OSYP) 2013 was released on 7th April 2013, subsequent to which, Department of Sports and Youth Services rolled out interventions like 'Integrated Youth Development Programme' and 'Biju Yuva Sashaktikaran Yojna' for the comprehensive development of youth in the State. The ambitious 'Active Citizenship Programme' under the umbrella scheme 'Biju Yuva Sashaktikaran Yojna' was launched with a focus on promoting life skills, leadership and active citizenship among youth in educational institutions across the state. State Youth Welfare Board (SYWB), Govt. of Odisha, now intends to prioritize and scale up youth-led social action and community engagement activities envisaged under the Policy by reaching out to youths across all Panchayats and ULBs. Accordingly, a new sub scheme 'Biju Yuva Vahini' has been designed under the ongoing flagship scheme, 'Biju Yuva Sashaktikaran Yojna' which envisages, nurturing leadership and volunteerism, promoting culture of sports & sportsmanship, healthy living among youth, establishing vibrant youth connect platforms and engaging with the youth across the State

While the state is making policies and programs for the general population, it is felt a focused attention to youth is required to take advantage of the demographic dividend and put them at the center of the state's growth and development. This scheme aims to give a strategic direction and make timely interventions to enable the youth to get the best out of the changing scenario in the state and the country due to globalization, rapid technological advancement, and greater exposure to communication and information technology and emergence of India as a global economic power. The State government in partnership with other stakeholders like civil society groups, voluntary organizations and the corporate sector would extend wide range of opportunities for the constructive participation of the youth in the political, social and economic development of the state. The scheme is aimed at engaging young people, channelizing their potential, energy and enthusiasm and enabling them to become responsible citizens

The main aims & objective of the programme is to promote the holistic development of the youth of Odisha so that they realize their full potential and engage, with energy and idealism, in building a prosperous, just and caring society. Also to develop the leadership and spirit of volunteerism among Youth through social actions at Panchayats & ULBs: It further aims at channelizing the immense youth energy of the State towards the nation-building activities. It intends to promote youth for volunteering and encourage them to be a part of various social action projects and community engagement activities. The program would attempt to inculcate traits of good citizenship, develop leadership qualities, national character, comradeship and personality development among the youth. It will motivate the youth to act as focal point for dissemination of knowledge in the community and involve them in Nation building process.

It further envisages to promote Sports, art, culture and scientific temper among youth across all Panchayats/ ULBs. Sports being an integral aspect of youth development and with a view to ensure holistic development, it is important to nurture the spirit of sports among youth. The program intends to promote rural sports at grassroots level, identify and nurture the hidden talents and also inculcate habit of healthy life style among the youth. It will prepare the youth for rational thinking process and develop scientific temperament while handling various societal problem.
