1.	<b>National Consumer Co-operative Federation of India (NCCF)</b> , Ministry of Consumer Affairs, Food & Public Distribution, Govt. of India	Cl. No. 2 Empanelment Note: Sl. No. b at Page No. 1	Co-operative Societies are not eligible to participate.	In the context we refer to Clause 2 (b), which states co-operatives societies are not eligible.  However, we would like to introduce ourselves as the National Consumer Co-operative Federation of India (NCCF) operating under the administrative control of the Department of Consumer Affairs (Ministry of Consumer Affairs, Food & Public Distribution) plays a pivotal role by serving as a strategic link between farmers and consumers. It was established on 16 <sup>th</sup> October 1965 to function as the apex body of Consumer Co-operatives in the Country. It is registered under the Multi-State Co-operative Societies Act, 2002.  <b>We requested clarification on whether we are eligible to participate in the said work.</b>	Refer the Corrigendum-1.
2.	<b>Energy Efficiency Services Limited (EESL)</b> , A JV of four Central PSUs (NTPC, PFC, REC & Power Grid) of Ministry of Power	Cl. No. 3 Eligibility Criteria: Sl. No. 1 at Page No. 2	The EOI specifies that the applicant PSU must be established as a Central/ State Public Sector Enterprise (CPSE), where at least 51% of the share capital is owned by the Government of India directly or indirectly through other CPSEs, established as a Government Company under the Companies Act, 2013, or as a statutory corporation created by an Act of Parliament or State Legislature.  EESL is a joint venture of NTPC, Powergrid, PFC, and REC, with the equity distribution of 39.25% each in NTPC and Powergrid, 11.38% in PFC, and 10.11% in REC.	As these CPSUs collectively hold more than 51% of the paid-up share capital and are under Government control, <b>EESL may be considered a Central Public Sector entity operating under the administrative control of the Government of India.</b>	Refer the Corrigendum-1.  Also refer to the Cl. No. 8. Key Instructions: Sl.no. x. e. at Page no. 4.

		Cl. No. 3 Eligibility Criteria: Sl. No. 5 at Page No. 2	The EOI stipulates that the PSU must maintain ISO 9001:2015 certification based on Quality Management Systems across all areas of its activities.  EESL, being a joint venture of four CPSUs and operational since 2009, has not obtained ISO 9001:2015 certification to date. Therefore, it is requested that EESL may kindly be considered for exemption from this requirement to enable participation in the empanelment process.	We request your kind consideration of the above clarifications/ amendments and <b>seek permission for EESL to participate in the bidding process.</b> This would enable DMF to include another Central Public Sector Enterprise as a stakeholder for implementing development initiatives.	No change accepted.
